Art's sure been fun this year hasn't it — except for that darn history & painting test! Too bad you got kicked out of history. It's really a bore in there now!

So ya saved a page for me. It sure was nice of ya. Here's wishing you all of the luck in the world. You are real sweet so stay that way. OK. No matter what, I'll hope you're always my friend. We really have a blast in church don't we. Well I **aa** next year you're going to be in charge of the refreshments. So if you get mad just promise me you wont poisin us. Next year you'll be a big Senior At least I hope so. Then you'll be so conceited you won't bother to talk to us lowly underclassmen. Oh, Well, I'll understand. You really have a wonderful personality and you're one of the funniest people I know. Maybe next year you won't skip so many classes. But if you did that what would Mr. Oxwang do with his spare time. I hope next year you'll have more fun than this one has been. (If possible.) I hope this summer I'll be seing something of ya. (alright.) Well remember next year that ~~I am~~ us "lil" Trash are still around. (O.K). Here's wishing you all of the luck in the world.
